
URFU CELEBRATES 100TH ANNIVERSARY ON OCTOBER 19 2020

Ural Federal University (www.urfu.ru) is proud to carry the torch of the two former higher educational institutions in the Ural region - Ural State and Ural Polytechnic Universities.

Today, Ural Federal University is one of the leading and largest universities in Russia which is ranked 331st in the QS World University rankings-2020.

Ural Federal University, established in 1920, has a long and successful history of high-quality research and teaching and is improving its position and competitiveness on the world education and research stage.

Located in Ekaterinburg, UrFU takes pride in creating an international research and education hub in the heart of Russia. Today UrFU offers 450+ educational programs of all levels in Russian and English taught by top-notch professors and researchers of national and international level. The university is home for 35 000 students, including 4400 foreign students from 101 countries.

UrFU has strong global ties through partnership with nearly 500 academic institutions from all over the world and participation in international network projects: Erasmus+, BRICS Network University, CIS Network University, Shanghai Cooperation Organization University, University of the Arctic (UArctic), Association of Sino-Russian Technical Universities, etc.

Ural Federal has initiated the creation of Ural Interregional Research and Education Center.

“Thanks to our students and partners, the attributes of the 100th anniversary will be sent to different parts of the world. Our anniversary identity is about the inextricable connection of the past with the future, about the importance of the individual path in scientific discoveries and training. The university is similar to the Space: stellar, bright, attractive for inquiring minds”
– Rector of UrFU Victor Koksharov.
